## Status of RBC/UKQCD g-2 program

*Tuesday, August 1, 2023 1:50 PM (20 minutes)*

I review the status of the RBC/UKQCD g-2 program with focus on updates for the hadronic vacuum polarization.

### Topical area

Quark and Lepton Flavor Physics

**Primary author:** LEHNER, Christoph

**Presenter:** LEHNER, Christoph

**Session Classification:** Quark and Lepton Flavor Physics
